Unfinished Gem - Right in The Heart of Historic Wollombi

Located in an elevated position, high on a hill overlooking the Historic Wollombi Village this incomplete home sitting on a half-acre block takes full advantage of the breath-taking views of the surrounding picturesque landscape. The stylish cedar board and batten home boasts a perfect north facing aspect with a sun drenched under cover verandah being a focal draw card of this unique village gem. The house DA has expired and would require a new DA to complete.

The modern floor plan with inspired country touches throughout can be enhanced with your own creative flare. A spacious main living area, kitchen space, unfinished bathroom, three bedrooms all with fantastic northerly views and a central hallway make up the bones of this awesome country retreat.

The land is made up of sloping grounds spotted with bush lemon trees, striking rock features and a tranquil tree line. Toddle off to the nearby Myrtle Café from your back yard and enjoy a tasty meal with a local drop of wine or coffee to die for. The location is superb, whether you are looking for a low maintenance country weekender or possible live in country lifestyle
